WCS Science of Cities Symposium 2026

ABSTRACT PAPER SUBMISSION CHECKLIST

This is your personal checklist for correct paper submission – **Do NOT** submit with your paper.

S/N Task	GEN	ERAL	
Abstract paper document should be titled in the following format: -First author's first name in initials> <spacebar><first author's="" first="" in="" initials="" name=""><spacebar><first author's="" first="" in="" initials="" name=""><spacebar><first -eitle="" abstract="" author's="" of=""> e.g. A Lim et alDynamic modelling to predict sustainability supply chains scenarios 3 Panel in which you wish to present at (i.e. Panel 1: From Sensors to Solutions – Data-driven Urban Operating Systems, or Panel 2: From Solutions to People – Human-centred Smart Cities) has been indicated in the panel field 4 Ensure paper is free from grammatical and punctuation errors, plagiarism, spelling mistakes, and where species names are mentioned, follows the binomial nomenclature, and are italicized ABSTRACT TILE 5 Informs reader of finding/implication of study 7 Kept concise: Avoid filler words, keep to a maximum of 20 words AUTHORS 8 List all authors involved in the research, in the format: <first name=""> <last full="" in="" name="" spelt=""> e.g., Alan Lim, B Tan, and C Wong 9 Underline presenter's name e.g., Alan Lim, B Tan, and C Wong 10 Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., *National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sq 11 Provide corresponding author details, including the name, designation, email address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., *Corresponding author Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Alim@nus.edu.sq ABSTRACT 12 Include the background, objectives, methods, findings, and conclusions concisely No more than 300 words No more than 300 words 14 Written in 10-point Arial font, single line spacing with justified alignment, and in a single paragraph without indentations 15 No citing of any references, figures, equations, or tables</last></first></first></spacebar></first></spacebar></first></spacebar>			✓
Abstract paper document should be titled in the following format: -First author's first name in initials> <spacebar><first author's="" first="" in="" initials="" name=""><spacebar><first author's="" first="" in="" initials="" name=""><spacebar><first -eitle="" abstract="" author's="" of=""> e.g. A Lim et alDynamic modelling to predict sustainability supply chains scenarios 3 Panel in which you wish to present at (i.e. Panel 1: From Sensors to Solutions – Data-driven Urban Operating Systems, or Panel 2: From Solutions to People – Human-centred Smart Cities) has been indicated in the panel field 4 Ensure paper is free from grammatical and punctuation errors, plagiarism, spelling mistakes, and where species names are mentioned, follows the binomial nomenclature, and are italicized ABSTRACT TILE 5 Informs reader of finding/implication of study 7 Kept concise: Avoid filler words, keep to a maximum of 20 words AUTHORS 8 List all authors involved in the research, in the format: <first name=""> <last full="" in="" name="" spelt=""> e.g., Alan Lim, B Tan, and C Wong 9 Underline presenter's name e.g., Alan Lim, B Tan, and C Wong 10 Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., *National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sq 11 Provide corresponding author details, including the name, designation, email address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., *Corresponding author Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Alim@nus.edu.sq ABSTRACT 12 Include the background, objectives, methods, findings, and conclusions concisely No more than 300 words No more than 300 words 14 Written in 10-point Arial font, single line spacing with justified alignment, and in a single paragraph without indentations 15 No citing of any references, figures, equations, or tables</last></first></first></spacebar></first></spacebar></first></spacebar>	1	Abstract paper should be submitted in .docx version	
surname> <spacebar><et al.(if="" are="" authors)="" other="" there="">_<title abstract="" of=""> e.g. A Lim et alDynamic modelling to predict sustainability supply chains scenarios Panel in which you wish to present at (i.e. Panel 1: From Sensors to Solutions — Data-driven Urban Operating Systems, or Panel 2: From Solutions to People — Human-centred Smart Citles) has been indicated in the panel field Ensure paper is free from grammatical and punctuation errors, plagiarism, spelling mistakes, and where species names are mentioned, follows the binomial nomenclature, and are italicized ABSTRACT TITLE Informs reader of freearch topic/aim/question Informs reader of finding/implication of study Kept concise: Avoid filler words, keep to a maximum of 20 words AUTHORS List all authors involved in the research, in the format: <First name > <Last name spelt in full> e.g., Alan Lim, B Tan, and C Wong Underline presenter's name e.g., Alan Lim, B Tan, and C Wong Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., * National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sq Provide corresponding author details, including the name, designation, email address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., * Corresponding author: Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Department of Institution, City/Country which institution is based at, Email address e.g., * Corresponding author: Alan Lim, PhD researcher, National University of Singapore, Department of Institution, City/Country which institution is based at, Email address e.g., * Corresponding author can be provided to the background, objectives, methods, findings, and conclusions concisely No more than 300 words Include the background, objectives, methods, findings, and conclusions concisely No citin</td><td>2</td><td></td><td></td></tr><tr><td>Panel in which you wish to present at (i.e. Panel 1: From Sensors to Solutions – Data-driven Urban Operating Systems, or Panel 2: From Solutions to People – Human-centred Smart Cities) has been indicated in the panel field Ensure paper is free from grammatical and punctuation errors, plagiarism, spelling mistakes, and where species names are mentioned, follows the binomial nomenclature, and are italicized ABSTRACT TITLE Informs reader of fresearch topic/aim/question Informs reader of finding/implication of study Kept concise: Avoid filler words, keep to a maximum of 20 words AUTHORS List all authors involved in the research, in the format: <First name > <Last name spelt in full> e.g., Alan Lim, B Tan, and C Wong Underline presenter's name e.g., Alan Lim, B Tan, and C Wong Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., * National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sq Provide corresponding author details, including the name, designation, email address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., * Corresponding author: Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Alim@nus.edu.sq ABSTRACT Include the background, objectives, methods, findings, and conclusions concisely No more than 300 words Written in 10-point Arial font, single line spacing with justified alignment, and in a single paragraph without indentations No citing of any references, figures, equations, or tables KEYWORDS Provided dat least one, and at most six keywords/phrases, arranged in alphabetical order Provided at least one, and at most six keywords/phrases, arranged in alphabetical order</td><td></td><td></td><td></td></tr><tr><td>Data-driven Urban Operating Systems, or Panel 2: From Solutions to People – Human-centred Smart Cities) has been indicated in the panel field 4 Ensure paper is free from grammatical and punctuation errors, plagiarism, spelling mistakes, and where species names are mentioned, follows the binomial nomenclature, and are italicized 5 Informs reader of research topic/aim/question 6 Informs reader of finding/implication of study 7 Kept concise: Avoid filler words, keep to a maximum of 20 words AUTHORS 8 List all authors involved in the research, in the format: <First name > <Last name spelt in full> e.g., Alan Lim, B Tan, and C Wong 9 Underfine presenter's name e.g., Alan Lim*, B Tan, and C Wong 10 Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., *National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sq 11 Provide corresponding author details, including the name, designation, mail address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., Corresponding author: Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Alim@nus.edu.sq ABSTRACT 12 Include the background, objectives, methods, findings, and conclusions concisely 13 No more than 300 words Written in 10-point Arial font, single line spacing with justified alignment, and in a single paragraph without indentations 15 No citing of any references, figures, equations, or tables KEYWORDS 16 Provided Reywords/phrases that were not mentioned in abstract title which describes/identifies relevant fields/topics of research 7 Provided at least one, and at most six keywords/phrases, arranged in alphabetical order 17 Provided only if presenter is comfortable AND study to be presented has sufficient material (i.e. studies are nearing/are completed) to do so</td><td></td><td>e.g. A Lim et alDynamic modelling to predict sustainability supply chains scenarios</td><td></td></tr><tr><td>mistakes, and where species names are mentioned, follows the binomial nomenclature, and are italicized ABSTRACT TITLE 5</td><td>3</td><td>Data-driven Urban Operating Systems, or Panel 2: From Solutions to People –</td><td></td></tr><tr><td> Informs reader of research topic/aim/question </td><td>4</td><td>mistakes, and where species names are mentioned, follows the binomial</td><td></td></tr><tr><td> Informs reader of finding/implication of study Kept concise: Avoid filler words, keep to a maximum of 20 words </td><td>ABS</td><td></td><td></td></tr><tr><td> AUTHORS</td><td>5</td><td>Informs reader of research topic/aim/question</td><td><u></u></td></tr><tr><td>List all authors involved in the research, in the format: <First name > <Last name spelt in full> e.g., Alan Lim, B Tan, and C Wong Underline presenter's name e.g., Alan Lim*, B Tan, and C Wong Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., * National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sq 11 Provide corresponding author details, including the name, designation, email address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., Corresponding author: Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Alim@nus.edu.sq ABSTRACT 12 Include the background, objectives, methods, findings, and conclusions concisely 13 No more than 300 words 14 Written in 10-point Arial font, single line spacing with justified alignment, and in a single paragraph without indentations 15 No citing of any references, figures, equations, or tables KEYWORDS 16 Provided keywords/phrases that were not mentioned in abstract title which describes/identifies relevant fields/topics of research 17 Provided at least one, and at most six keywords/phrases, arranged in alphabetical order DETAILS OF PRESENTATION PAPER (Optional) Provided only if presenter is comfortable AND study to be presented has sufficient material (i.e. studies are nearing/are completed) to do so</td><td></td><td></td><td></td></tr><tr><td> List all authors involved in the research, in the format: <First name > <Last name spelt in full> e.g., Alan Lim, B Tan, and C Wong</td><td></td><td></td><td></td></tr><tr><td>spelt in full> e.g., Alan Lim, B Tan, and C Wong Underline presenter's name e.g., Alan Lim*, B Tan, and C Wong Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., * National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sg Provide corresponding author details, including the name, designation, email address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., Corresponding author: Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Alim@nus.edu.sg ABSTRACT Include the background, objectives, methods, findings, and conclusions concisely No more than 300 words Written in 10-point Arial font, single line spacing with justified alignment, and in a single paragraph without indentations No citing of any references, figures, equations, or tables KEYWORDS Provided keywords/phrases that were not mentioned in abstract title which describes/identifies relevant fields/topics of research Provided at least one, and at most six keywords/phrases, arranged in alphabetical order DETAILS OF PRESENTATION PAPER (Optional) Provided only if presenter is comfortable AND study to be presented has sufficient material (i.e. studies are nearing/are completed) to do so</td><td></td><td></td><td>T</td></tr><tr><td>9 Underline presenter's name e.g., Alan Lim*, B Tan, and C Wong 10 Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., * National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sq 11 Provide corresponding author details, including the name, designation, email address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., Corresponding author: Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Alim@nus.edu.sq ABSTRACT 12 Include the background, objectives, methods, findings, and conclusions concisely 13 No more than 300 words 14 Written in 10-point Arial font, single line spacing with justified alignment, and in a single paragraph without indentations 15 No citing of any references, figures, equations, or tables KEYWORDS 16 Provided keywords/phrases that were not mentioned in abstract title which describes/Identifies relevant fields/topics of research 17 Provided at least one, and at most six keywords/phrases, arranged in alphabetical order DETAILS OF PRESENTATION PAPER (Optional) 18 Provided only if presenter is comfortable AND study to be presented has sufficient material (i.e. studies are nearing/are completed) to do so</td><td>0</td><td></td><td></td></tr><tr><td>e.g., Alan Lim*, B Tan, and C Wong Provide affiliations of all authors in the format: Name of Institution, Department, City, Country, followed by contactable email address. e.g., * National University of Singapore, Department of Physics, Singapore Alim@nus.edu.sq Provide corresponding author details, including the name, designation, email address affiliations of all authors in the format: Name, Designation, Name and department of Institution, City/Country which institution is based at, Email address e.g., Corresponding author: Alan Lim, PhD researcher, National University of Singapore, Department of Physics, Singapore, Alim@nus.edu.sq ABSTRACT 12 Include the background, objectives, methods, findings, and conclusions concisely 13 No more than 300 words Written in 10-point Arial font, single line spacing with justified alignment, and in a single paragraph without indentations 15 No citing of any references, figures, equations, or tables KEYWORDS 16 Provided keywords/phrases that were not mentioned in abstract title which describes/identifies relevant fields/topics of research 17 Provided at least one, and at most six keywords/phrases, arranged in alphabetical order DETAILS OF PRESENTATION PAPER (Optional) 18 Provided only if presenter is comfortable AND study to be presented has sufficient material (i.e. studies are nearing/are completed) to do so</td><td></td><td></td><td></td></tr><tr><td>Provide affiliations of all authors in the WCS Science of Cities Symposium 2026

20	Limit section to three A4-sized pages for <u>all</u> content, including figures, tables, and references, all of which are optional.		
21	Ensure formatting follows that indicated in the abstract template, e.g., use of 10-point Arial font, single line spacing, justified alignment, line spacing between each paragraph.		
SYMPOSIUM REQUIREMENTS			
22	Be able to attend the session in-person on 14 th June 2026, Sunday, 12–6 pm (GMT+8), in Singapore. This is mandatory for all shortlisted oral and poster presenters.		
ORAL PRESENTATION			
23	Presentation submitted can be presented clearly and in sufficient detail within 8-10 minutes, not exceeding 10 minutes .		
24	Agree to participate in the 40-minute panel discussion after presentation.		
25	Agree to present research in poster presentation as well.		
POSTER PRESENTATION			
26	Presentation submitted can be presented clearly, concisely and in sufficient detail within a A0 portrait orientated poster.		
27	Sections to be included in the poster are the same as that of an oral presentation, i.e., 1) Research background, 2) Research aims/questions, 3) Methods, 4) Findings, 5) Discussion and conclusions addressing the research aims/questions.
